## LETTER TO THE APPLICANTS!

Dear friends of the flute!

First of all I would like to say how much I was looking forward to coming to Domžale this weekend! I was especially happy when I heard how many applicants wanted to join my masterclass.

I'm truly sorry to inform you that a heavy influenza has forced me to cancel all activities and events since last Friday. I was hoping to get well in time for the weekend, but yesterday my doctor told me that was out of the question.

The date of the masterclass has now been moved to the end of March. I hope that all of you can take part at this later date, and I'm looking forward to meeting you then!

All the best, stay healthy

Yours

Walter Auer
